Recommendations

Facilities:

1. Construct larger playground areas
2. Improve drinking fountains (working, water pressure, taste)
3. Create more indoor open spaces
4. Remove portable buildings
5. Secure playgrounds & play structures
6. Remove sand from playground areas
7. Add protection on fence posts
8. Special needs accommodations
9. Plant more trees around school campus
10. Construct additional shade structures

Miscellaneous:

1. Mitigate school traffic (better traffic signage)
