

Breakfast with the Superintendent

Parent Feedback

Tuesday 9:00 A.M., May 2, 2017

Palm Tree Elementary School

Palmdale, CA

Recommendations

Facilities:

1. Construct organic teaching garden
2. Install shade structures (especially for playground)
3. Fully cover existing shade structures to provide rain protection
4. Construct covered walkway to protect students from rain
5. Install basketball/handball/tetherball courts and soccer goals
6. Construct building for students to play in during rainy days such as gymnasium
7. Upgrade restrooms
8. Improve playground equipment
9. Replace portable classrooms with permanent facilities
10. Provide seating areas for students after lunch
11. Fence off back side of portable buildings
12. Paint school

Miscellaneous:

1. Fumigate school regularly for pest control
2. Mitigate pick-up and drop-off traffic
